

Music Classes with Ms. Karen

Pre-K through Kindergarten- Music & Rhyme Time

Young children will enjoy exploring aspects of music and singing including Mother Goose rhymes, games, dance and instrument exploration. All music instruction will be completely focused on play and having fun!

Grades 1&2- Musical Explorations

Children in grades 1-3 will enjoy learning about a new composer and his music each month in addition to singing, playing musical games, exploring instruments and music of other cultures. Children will begin to use basic musical notation in this class using rhymes and basic melodies in a fun way.

Grades 3-5- Young Musicians

Students in grades 4&5 will continue to learn about music through listening, creating and playing music on the recorder. They will gain more in depth knowledge of composers and their music and will learn about melody, harmony and rhythm by singing complex songs, rounds and games.
